Jumbo Clamshell Grills

CPG-15F: Black plates • 208-240 V / 3100 W / 14 A

CPG-15FC: Clear plates • 120 V / 1800 W / 2.5 A

- One 15-3/4" x 11-13/16" grilling area

COMMON FEATURES

- High-tech glass grill surface: smooth top & bottom plates
- Adjustable thermostat up to 740°F
- Easy to clean stainless steel housing
- Cleaning scraper
- Power light(s)
- Pull-out grease tray
- Cool-touch handles
- Non-skid feet
- NSF; MET to UL & CSA Standards
- One year limited warranty

Grills made to Cadco Ltd. specifications by Spidocook S.r.l.

Glass-Ceramic Clamshell Grills

Safety Touch Design:
When cooking surface is 740°F, exterior is only 167°F

Easy cleaning:
Scraper included for easy cleaning of smooth plates.

Balanced Covers:
Patented cover design provides perfectly balanced lifting. The cover remains parallel to the cooking surface up to a height of 2-3/4", for even grilling of thick sandwiches or other foods.

Compact System:
The electrical connections of the covers pass through a metal tube inside the body of the appliance. This patented design greatly reduces overall dimensions and allows the grill to be positioned against the wall.

Model Nos. Cross Reference:
